Dear Mom and Dad,

I'm sure you had a good time at Mary's on Mother's Day. This is just a short note accompanying a couple of articles from the newspaper. By the way (BTW, in electronic mail parlance) I'm trying out a new word processor I "downloaded" from a large repository of software stored on a computer in New Mexico.

Apparently Vickie's 25th high school reunion will be the same night as mine. Thus she probably will travel down to Dayton on Saturday after attending the opera with Mary on Friday night.

-- Everything is going well here and we are looking forward to seeing you in 3-14.

Love,

Jim & Vickie
